AWRT Houston
November Luncheon
Wednesday, November 11th, 2009

Jim McIngvale
“Mattress Mack”

Join AWRT on Wednesday, Nov. 11th as we hear from Mattress Mack. Mack’s story begins when he opened a furniture store with his wife, Linda in 1981 with \$5,000 and an empty model home park. The most recent chapter includes opening his second store on Post Oak in the heart of the Galleria during a recession, only to suffer the loss of his warehouse at the original Gallery location to a fire. What drives Mattress Mack and what does he see for both the furniture and overall retail market through the holiday season and into 2010.
